Selectmen's Meeting

The Selectmen hold their regular meetings on the second and last Tuesday of each month at 8 p. m.

INVENTORIES

The Selectmen will receive inventory blanks and hear parties regarding their liability to be taxed at the Town Office from 2 to 5 p. m. on Saturday, April 8, 1972. Note that no appeals for abatements can be considered unless a completed inventory blank has been filed with the Selectmen by April 15.

Board of Selectmen

WARRANT FOR THE TOWN MEETING

To the Inhabitants of the Town of Warner in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Warner on Tuesday, the Seventh day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

Polls to open at 9:00 A. M. and to close not earlier than 7:00 P. M. Articles in the warrant will be taken up at 7:00 P. M.

1. To choose all necessary Town Officers for the year ensuing.
 2. To see if the town will vote to appropriate the sum of Thirty One Thousand Dollars (\$31,000.00) for the purpose of purchasing a new fire truck for the Fire Department, the sum of Fifteen Thousand Dollars (\$15,000.00) to be raised by taxation in the year 1972 and the Board of Selectmen and the Town Treasurer be authorized to borrow the remaining amount not to exceed Sixteen Thousand Dollars (\$16,000.00) on note or notes of the Town to be paid off in the sum of Eight Thousand Dollars (\$8,000.00) plus interest annually until said note or notes are paid in full.
 3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
 4. To see if the Town will authorize the Selectmen and Town Treasurer to borrow money in the anticipation of taxes on the note or notes of the Town.
 5. To see if the Town will authorize the Selectmen to sell property taken for taxes.
 6. To hear the reports of the Officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.
 7. To see if the Town will authorize the Moderator to appoint within sixty (60) days a Warner Town Bicentennial Committee; such Committee to consist of not less than 3 nor more than 9 members; such Committee to be responsible for planning and carrying out all proper activities incident to the celebration in 1974 of the 200th anniversary of this community; the Committee to report on its activities and recommendation at each annual Town Meeting.
 8. To take the sense of the qualified voters whether the amendments of the Constitution proposed by the 1971 session of the General Court shall be approved.
 9. To transact any other business that may legally come before said meeting.

REPORT OF THE SELECTMEN

1971 has seen several projects started in town. We feel these have been for the improvement and benefit of the town as a whole.

Shade trees have been planted to replace the many Elm and Maple trees which have had to be cut down. More will be added in years to come as replacements are required.

You may have noticed that the town is a little brighter at night now. New and better street lighting has been installed within the past year and is due to be extended in 1972.

The downstairs area of the Town Hall has been freshly painted and reconditioned. The Warner Woman's Club has donated new silverware, dishes and cooking utensils for public use. The main hall is presently being painted. Funds being used are largely from the Warner Fall Foliage Festival. We would like to encourage the use of these areas for organized functions.

The installation of the new Town Hall boiler has been completed and inspected. More work on the heating system will be carried out this year.

The Chandler Reservation Committee has been active and have marked a portion of forest land for timber cut and management practices. Much can be done there to improve the timber management as well as to provide a wide range of recreational opportunities.

The new Austin-Western road grader, purchased in April, is making road maintenance and construction more satisfactory, especially during the snow and ice seasons.

We would like to thank everyone who has been of help to us during the past year. Your understanding and cooperation have made our tasks much easier.

**REPORT OF THE
TRUSTEES OF TRUST FUNDS
FOR THE YEAR ENDING DECEMBER 31, 1971**

Trustees have custody of 287 permanent trust accounts with aggregate market value of \$121,963.78 and unexpended income, including accumulations of prior years, amounting to \$9,212.17. In accordance with instructions pertaining to each trust, the sum of \$6,549.15 was expended during the year 1971 with the Town of Warner, Kearsarge Regional School District, Pillsbury Free Library, United Church of Warner, Almoners of Foster Fund, Pine Grove Cemetery Association, and care of various cemetery lots participating in the distribution.

Also the Trustees of Trust Funds have custody of a temporary fund with balance of \$82.69 in connection with new cemetery at Waterloo.

Further information concerning said trusts may be obtained from the detailed reports on file with the New Hampshire State Tax Commission, Board of Selectmen, Town Clerk, Town Treasurer and each member of the Board of Trustees of Trust Funds.

Respectfully submitted,

John P. H. Chandler, Jr.
Orton F. Hill
Walter P. Miner
Trustees of Trust Funds

REPORT OF THE CEMETERY CUSTODIANS

During 1971 a number of burial plots were surveyed and boundaries established at the New Town Cemetery on the south side of Route 103 just west of the Waterloo District. This work carried out by your Cemetery Custodians, assisted by James O'Rourke.

Rules and regulations for the New Town Cemetery were adopted by the town in 1966, and are listed below for your information:

First: No lots in the Cemetery shall be used for any purpose, except as a place of burial for the dead.

Second: No person can plant, cut or remove any shrubs or trees within the bounds of the Cemetery.

Third: All lots tablets or memorials shall be kept at surface level.

Fourth: All graves shall be provided with a vault or graveliner.

Fifth: The price of a single lot (10' x 14') shall be \$50 and a trust fund of \$100 for perpetual care shall be requested at the time of sale.

During the year the Cemetery Custodians expended a total of \$24.00 in payment to Walter Ingalls for mowing the New Town Cemetery.

The Cemetery Custodians would be happy to answer questions, and stand ready to serve the needs of the town's residents.

REPORT OF WARNER VILLAGE FIRE PRECINCT

1971-1972

The voters elected the following officials at the 1971 Annual Fire Precinct meeting:

Commissioner	Emil W. Allen, Jr.
Clerk-Treasurer	Robert Cutting
Collector	Charles Hemphill
Auditors	John Hill, Caleb Whiton

The Water Commissioners held four meetings during 1971. These meetings occurred after the Annual Precinct Meeting held in March 1971. Business at these meetings involved current and normal operations of the water and sewage systems.

On June 1, 1971, the commissioners met with Charles Hemphill and Harold Dow to walk the bounds of the Flanders' property offered for sale adjacent to Silver Lake Reservoir. The ownership of property on the west side of Silver Brook was in question. The commissioners believed that ownership of land abutting the west side of Silver Brook was necessary in order to adequately protect the watershed. Unfortunately, the Flanders' land was sold before all necessary information was obtained. The district's reservior area will still be protected against hazardous building construction by laws enforced through the state's Water Supply and Pollution Control Commission.

The Water Supply and Pollution Control Commission issued a State "Surface Water Supply Policy" on September 8, 1971. In essence, the policy states that all cities and towns dependent on surface water supplies will have to install complete water treatment facilities. The stated policy will in the near future affect the Warner Village water supply facilities. It will be necessary for us to either provide a water treatment facility or provide the necessary water from subsurface wells. The economics of the situation as it develops will determine our course of action. It is safe to say that the larger communities, such as Concord, will be affected before the smaller communities.

The latest information on progress of our sewage treatment facility is not very encouraging. Even if maximum Federal funds are made available in 1972, it would still be postponed to sometime in 1974. The Commissioners are of the opinion that the funding will be delayed beyond 1974.

The N. H. Board of Underwriters conducted a survey of the fire protection facilities in the town of Warner during December 1971. The report indicated an insurance classification for fire insurance rates equivalent to those established for 1970. The report did indicate some deficiencies that need to be improved upon. Briefly stated, these improvements consist of an additional source of water, adjustments in pipe and hydrant locations, more frequent valve inspections,

updated distribution system records, purchase of a new fire engine to replace Engine No. 3 and some minor improvements in the fire department's operations.

One matter of great concern to the commissioners is the relatively large amount in delinquent accounts this year. In view of the fact that there is no precinct tax to draw upon, it will be necessary for the commissioners to shut off the water to users who are delinquent in their payments. The district cannot function properly without funds. It will therefore be necessary to borrow money in anticipation of water rents to meet our obligations.

The district appropriated \$1,000. this year for an engineering study of the existing lower dam at the reservoir. The firm of Anderson and Nichols was contacted to perform the service. Unfortunately, the consultants were unable to conduct the study before winter set in. It is planned to accomplish the study in 1972 but it is questionable whether \$1,000. will be sufficient to cover the expected rise in costs.

Respectfully submitted:

A. Denis Hamilton

The population of the town of Warner according to the 1970 U. S. Census is 1,519, this is an increase of approximately 35% over the 1960 figure. The area of the town is comparatively large: 55.3 square miles.

The recommended aggregate pumping capacity for the Fire Dept. is determined by the required fire flow, which in turn is determined by local hazards and structural conditions. A recommended pumping capacity of 1,667 G. P. M. is recommended for Warner. The pumping capacity is below this due to the age of two trucks, Engine 2 and 3.

It is recommended that Engine 2 be retired and a new engine be acquired.

REPORT OF THE
FOREST FIRE WARDEN and DISTRICT CHIEF

LEST WE FORGET – IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but this fall is the 25th anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellarholes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947; nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once – they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

- 1. Never, either when walking, riding or driving, discard a firebrand – a lighted match or a glowing cigarette.
- 2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
- 3. If you camp or picnic, be sure open fires are allowed and if they are, put them **dead out** when leaving.
- 4. **Most important** – instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year – 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey’s message.

Number of fires reported and acres burned – 1971 season:		
STATE	463 fires	160 acres
DISTRICT	106 fires	61.5 acres
TOWN	4 fires	1 acre

REPORT OF WARNER POLICE DEPARTMENT
FOR YEAR 1971

The number of Breaks and Entries were about the same as last year with most of them occurring during the daytime. Five subjects were apprehended, responsible for five entries, and are now serving time. Six others were cleared when the stolen property was returned. We still ask that anyone seeing anything suspicious advise the Police Department at the time it is taking place, giving all details possible. Time is a most important factor since new highways make it a simple matter for the culprits to be out of state in an hour's time.

The new Police cruiser is in service. The emblem, designed by Mrs. Sylvia Brofus, local artist, will be applied soon.

As in the past, automobile accidents took much of our time, most of them occurring on Route 89. Of the 39 accidents investigated, 27 took place on Route 89 and were single car accidents. Eleven took place just south of the entrance ramp No. 8. These figures do not include accidents covered by State Police even though we might have assisted with traffic, etc.

Complaints regarding Mini-Bikes and Snowmobiles still exist. The majority of complaints were due to vehicle operators traveling without regard to trespassing on property not owned by the operators without consent of the property owner to use the land; operating near residences, wakening children and elderly persons at two or three o'clock in the morning. Use of these vehicles on the highway is also a problem. Such action is against the law.

Five Warner Police officers took part in the June "Mock Emergency" drill at Kearsarge Regional High School where we learned a great deal about problems should the "real thing" occur.

Again, all members of the Warner Police Department wish to thank the Selectmen, the Fire Department, the Highway Department, State Police and the many local residents who have assisted us.

Special thanks and regard are offered to Arthur Estey, who retired after 33 years of service; to John Mottram, my right-hand man, who plans to retire in March after 12 years of service; and, to Ronald Dalrymple, Dog Constable, for the outstanding job he did this past year.

Due to these retirements, new personnel are urgently needed in this Department. Any interested persons, who believe they are qualified for the work, may contact the Chief or the Warner Selectmen.

REPORT OF THE PLANNING BOARD

The Planning Board was established March 12, 1963 to “make a study of the Town’s Development and Report to the Town appropriate recommendations for the promotion and maintenance of the Town’s best development.” This mandate has now been accomplished by adoption of a Zoning Ordinance, Building Code and a Subdivision Regulation.

However, the adoption of these ordinances is only the beginning of the work of the Board. The Board must act on all proposed subdivisions and should review each of the ordinances to review and up date any deficiencies.

The Board has recommended to the Selectmen that the Zoning Ordinance, Building Code and Subdivision Regulation be printed in one Book for distribution as needed.

I wish to extend my appreciation to all the Members of the Board for their cooperation during the past year.

The entire Board joins me in extending our thanks to the residents for their support.

REPORT OF THE PILLSBURY FREE LIBRARY

The Library has been very busy during the past year. Book circulation rose to a new high with a total of 15,019 books loaned; in addition, 600 phonograph records were loaned. The Library purchased 693 books during the year including Time-Life gardening encyclopedias, *Dictionary of American History* and *The Dictionary of American Biography*. At the present time the Library receives 50 magazines. Additions to the magazine collection are *Ebony*, *Hot Rod*, *Field And Stream*, *Scientific American*, *Changing Times*, and *Horticulture*.

Numerous activities occurred at the Library during 1971. Film programs for both adults and children were held. Pupils from Simonds Elementary School have visited the school frequently, and many are taking out books and learning about library usage. The kindergarten has done the same. The Friends of the Library held meetings and film programs in the Library.

Exhibits and decorations during the year have included the following:

- Education books by the PTA
- Houseplants and books during National Library Week
- New books during Book Week
- Flags (old and new)
- Robert Manry book and clippings
- Service uniforms
- Floral decorations in November
- Christmas decorations
- American Legion Auxiliary poppy posters

The Library has also extended its services during the past year. A microfilm reader has been purchased and copies of the *Kearsarge Independent* have been microfilmed. Starting last fall the Library opened an additional two hours on Thursday morning.

A world globe has been given to the library by the Cogswell family in memory of Mrs. Annie Cogswell.

During the last three years library services have expanded greatly. The Library now has a record collection, more books, film programs, visits from the elementary school, extended hours, etc. With extension of services, expenses also increase. Costs of heat, electricity, telephone, salaries, and repairs are more than they were three years ago. Despite higher costs, the Library budget has not increased, in fact, it has decreased. If the Town of Warner continues to grow, and if the Town wishes to continue the services the Library is currently providing, then an increase in the budget will be warranted in the future.
